

Lost Letters of Avonlea

Guidelines and Instructions

For Your Letter:

When it's your turn to write, read the letter(s) that have been posted before you so that you have an understanding of what's already been written about.

Letters between other characters (can be to Anne or Gilbert) can be written at any time, taking into account what has come before.

Thank you,
have fun!

Be creative (within reason)!
Just remember that we are writing these in the context of the established canon of the show.

No Smut,
No Pie

Letters need to be strictly PG to PG-13

When in Doubt:

What would Moira do?

Since PLB & Fan Projects are running this site, they will have final editorial say over ALL published pieces.

The Shirbert letters will be posted every SUNDAY week. When it is your turn we will need your letter by Saturday (12 pm EST). We will remind you ahead of time.

Please inform us about your random letters at least 2 DAYS IN ADVANCE.

Please email your letter when completed to avonlealeters@gmail.com and let Niki (@niki_awaē), Dani (@daniwithoutane), or Joss (@jossrezz) know that you have sent it!

Letters will be reviewed before posting. If there is something that doesn't follow the guidelines (aka smut), we will ask you to make revisions.

We will be assigning the order of writing for the Shirbert letters. You will be given a specific date as to when your letter will be published.

If you won't be able to complete your letter for your assigned week or need to switch, please let us know ASAP so that we can make alternative arrangements.

Writers must be 18+ years of age.

All Letters will be exclusively available on the site for one week before being posted elsewhere.

Writers must join the project Discord. (don't worry it's free and easy to use)

Thank you all for participating!
We can't wait!
xx, Plb & Fan Projects
